ITC Institute Cairo

The American International School Egypt

10-12 March 2011

Access to the ITC Online Orientation begins on **1 February 2011**.

The International Teacher Certificate equips teachers with the global mind-set necessary for success in the 21st Century. This one-year online standards-based professional development experience, externally assessed by University of Cambridge International Examinations (CIE), features a three-day face-to-face institute. The ITC leads to master's credit in US, UK and Australian universities.

"In terms of its content, coverage and approach, the ITC must be considered a leader in its field."

Jeff Thompson, Professor Emeritus, University of Bath
