

Hello Everyone!

A note to remind you that the ITC Institute in Istanbul will take place at IICS on October 1st, 2nd and 3rd 2010.

PRESENTERS

The presenters at the institute are going to be Dr. Mary Margaret Magee and Mary Langford whose bios are on the Meet the Team page of the ITC website, and Dr. Doug Ota, the former High School Counselor at American School in the Hague, and Chair and Founder of the Safe Harbour transition programme. They have presented at the ITC Institutes in London, Rio de Janeiro, Brussels, Pattaya, Cambridge, Havana and Istanbul, so you will be working with a truly international group of teachers through the Discussion Forum.

ENROLLMENT

The recommended deadline for enrolment is 1 August. However, the earlier you enroll, the sooner you may begin the course – the **Online Orientation Course** starts **1 September**.

You will need to include references with your application, so it maybe worth while trying to organise those before the summer begins.

ACCOMMODATION

You will find a list of suggested places to stay on the ITC website - www.internationalteachercertificate.com

Travel to IICS will be arranged for you (details to follow nearer the time).

It takes approx 50 mins from downtown Istanbul to IICS, so we recommend that you stay in a hotel near to the pick up point, which will be at the Marmara Hotel in Taksim Square.

For reasonable rates when booking your hotel, you can contact Kerem Demirkan - kerem@seyahatacentam.com (please ref IICS when making your enquiry).
