

ECIS INTERNATIONAL TEACHER CERTIFICATE

*an exemplary international qualification for international teachers*

The ECIS International Teacher Certificate is designed to equip teachers with the global mindset necessary for successful teaching in the 21st Century. The ITC is an integrated, standards-based professional development experience assessed by University of Cambridge International Examinations. It requires in-depth critical thinking skills and reflective practice that is learner-centred and focused on authentic school-based activity. The ITC is multi-cultural, multi-disciplinary and cutting-edge.

#### The ITC standards:

- education in an intercultural context
- teaching competencies for the internationally-minded teacher
- the language dimension
- student transition and mobility
- continuing professional development as an internationally-minded educator

*"The combination of academic research and highly practical assignments in the ITC helped me further improve my classroom and department work, while inspiring me to continue developing as an internationally-minded educator."*

**Ciprian, IGCSE teacher in Wisconsin**

*"I have enjoyed this journey and I have learned so much."*

**Gretel in the UK**

The ITC is a one-year online program that features a three-day face-to-face institute.

**The Online Orientation Course** for ITC Atlanta participants begins on **1 July 2010**.
